

County Groups 2020/21

About Lincolnshire County Group Orchestra

This year, County Groups will be entirely 'virtual', all working together to produce a number of performances.

The orchestra is open to all young musicians from grade four upwards and is open to all up to the age of 21. For those young musicians about to start life at university, you can still be a member as this offer is all on-line!

We will be working on a wide range of music with bespoke arrangements to include all.

What is the cost?

The cost of Membership is £50.00 a year. This can be paid via SpeedAdmin in the first instance or via BACS, if instructed to, the following account:

Sort Code: 20-50-39

Account Number: 63509095 (Please use the pupils surname and initial as a reference)

What will we provide?

As a member of the Lincolnshire Youth Metropole Orchestra, you will receive a resource package for each piece. This will include:

- Access to scores and tutorials
- A 1:1 session with a member of Lincolnshire Music Service staff
- Sectionals
- A half day workshop with LMS staff and professional orchestral musicians
- Work with a nationally renowned professional facilitator

Do I need to audition?

You only need to audition if you are if you have not been a member of County Groups before. These auditions will initially be available by video application although we are investigating options for face to face auditions later this year. We will update you on new information and activities as soon as we can. Auditions can be any piece of music grade 4 or above.

Further Information
